27 September 1989

International Bluegrass Music Association, Inc.  
326 St. Elizabeth Street  
Owensboro, KY 42301

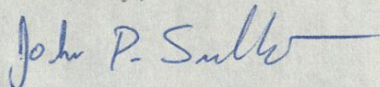

Dear Sirs:

Enclosed you will find my IBMA membership application slip and a check for \$35.00. I look forward to joining your fine organization and hope to be able to participate in your activities and contribute to the furtherance of IBMA's goals in the months to come.

I am a graduate student in zoology at Duke University who has been interested in bluegrass and (real) country music for a number of years. Living out a strange desire of mine, I held a part-time job at a local country AM radio station for several months in 1987 and 1988. As of this fall, I have moved up to FM and am currently hosting a bluegrass/old time/country show I call the "Bull City Barn Dance" from 6 to 9 PM Saturdays on WXDU, Duke University's student-run, non-commercial FM station.

I have enclosed a press release sent out to local newspapers that describes the show.

Sincerely,

John P. Sullivan

P.S. WXDU needs to build its own bluegrass/country record collection. Any help you could be in encouraging record companies to send us their new stuff would be greatly appreciated.
